If you are renting a pavilion in the park and intend on having a bounce house during your rental time,

- Please be aware of the other patrons who will either be before or after your party and have all items removed in a timely manner.
- You must provide your own generator; you should not plug in bounce houses to pavilion outlets for any reason. This will cause the circuit to blow, leaving you without electricity. There are no employees on duty after hours to come restore electricity at pavilions.
- There must be an ADULT supervising the bounce house at ALL times and only your guests should be allowed in the bounce house. The City of Crowley is NOT responsible for injuries related to the bounce house.

There may only be ONE bounce house allowed per pavilion per rental time.

- Water slides are NOT allowed nor considered in the category of a bounce house, as there is NO water available to the public for use.
