Road Work Begins Tuesday on Longhorn Trail

CROWLEY, Texas - Road construction is set to begin on Tuesday, Oct. 20, on Longhorn Trail to widen the road just north of the Dionne Bagsby Sports Complex, and it will impact how visitors of the Sports Complex access the site.

The Sports Complex will remain open during the project.

Flashing message boards have been installed for the past two weeks on Longhorn Trail notifying drivers of the impending change in the traffic pattern.

The road construction will take a few weeks to complete.

The traffic pattern will change to a single lane road heading eastbound only, and it was determined based on the needs of the new Crowley ISD building west of the construction area. Those wishing to visit the Sports Complex from the east will need to use Eagle/Bean as a detour.
