FOR IMMEDIATE RELEASE

April 9, 2021

Water-line improvements on Beverly, Oak, Peach begin April 12

CROWLEY, Texas - Water-line improvements will begin along Beverly, Oak and Peach beginning Monday, April 12, and the traffic management contractor is out today preparing the barricades.

Please see the attached map for traffic patterns in that area.

The work will begin along Oak, near the intersection of Oak and Peach. Crews will be installing a line across Oak. This will require one side of the street to be closed for a few days.

There should not be any disruption of water service during this time.

Crews will then cover that section and move to the other side of the street. The first phase of this work will last at least one week.

The work will progress down Beverly to the west all the way down to Wilson, and the City will provide more information about it when it becomes available.
