RECYCLING COLLECTION DAY: **WEDNESDAY**

**TIME:** Please have the Waste Connections recycling bin out at the curb before 7 a.m. Recycling may be picked up anytime between 7 a.m. to 5 p.m. Recycling bins must be loaded so as to weigh no more than fifty (50) pounds. Only the green Waste Connections bin will be collected. Please do not use any other containers provided by previous service companies.

**What Can Be Recycled**  
Metal & Aluminum Cans: Rinse and drain your metal food cans composed of tin, steel or aluminum and place loose in your bin. It is not necessary to remove the label, but please remove the lid and all food waste.  
Plastic: Rinse and place soft drink like bottles and milk jugs in your bin. You may not use other plastic like #1, 2, 3, 4, 5 & 7 plastics. Shampoo bottles are accepted. Please remove all caps.  
Glass: Includes clear, brown, and green bottles. Please remove all caps.  
Newspaper, Magazines & Catalogs:  
Place Dry newspaper, magazines, catalogs and other paper items such as mail, paper bags or other paper in the bottom of your bin. Stick or glossy inserts are accepted with the newspaper. Please don't put out on a rainy day. Be sure that the newspaper is secured so that it doesn't fly away.  
**What Cannot Be Recycled**  
Scrap metal and metal other than food and beverage cans, aluminum foil, mirrors, window glass, plate glass, ornate or safety glass such as windshield, large plastic buckets, butter tubs or containers with openings as large as the container, no plastic bottles that have contained oil or petroleum by-products, paper products such as cardboard paper or diapers.  
**Overflow Bins:** Recycling will only be picked up if it is in the recycling bin. If you need a second bin, please come by the Waste Department and pick one up. There will be a one-time \$5 charge for an extra bin.  
**Avoid Recycling Pickup:** Contact Waste Connections 817-222-2221.
